POLICY ON THE RECRUITMENT OF VOLUNTEERS

Includes Appendix 1: Volunteer Agreement

POLICY STATEMENT

Volunteers at Brentwood School bring with them a range of skills and experience that can enhance the learning opportunities of pupils. The Governors welcome and encourage volunteers from the local community to support the School in its day to day running. Volunteer support might include: hearing pupils read, working with small groups of pupils to assist them in their learning, working alongside individual pupils, as an additional tutor, or accompanying school visits. This will largely be in the Preparatory School, but volunteers may assist in a range of co-curricular and other activities in the Senior School.

The recruitment and vetting process for volunteers is set out below. Volunteers who take part in a Regulated Activity will be subject to safer recruitment checks. Where a volunteer is regularly and reasonably supervised by a Teacher or Teaching Assistant, the activity will not normally be regulated (unless it involves personal care). However, additional checks may be required depending on the frequency and nature of the role. One-off volunteers for day trips, assisting with concerts etc do not require vetting checks but must be supervised and must not include any personal care, such as assisting children to change.

All queries on the School's recruitment process must be directed to the Head of HR.

RECRUITMENT OF VOLUNTEERS

All volunteers, except those assisting on a one-off basis (as above), will be subject to an informal recruitment process. This will involve a meeting with the Head of the Prep School or the Deputy Head (Staffing, Operations and Co-Curricular) in the Senior School as appropriate, to discuss the requirements of the School and the skills of the volunteer. The purpose of this meeting will be to understand whether the prospective volunteer has any previous relevant experience and find out whether the expectations and requirements of each party meet and whether there is a volunteering opportunity at the School.

Any volunteering placement offered is subject to the following checks (where relevant) being in place before the start of the placements:

- an enhanced DBS certificate;
- if the volunteer will be undertaking a regulated activity, a barred list check;
- evidence of their entitlement to work in the UK, where relevant;
- A declaration will be sought that the volunteer is not disqualified from providing childcare. This is in accordance with the statutory guidance "Disqualification under the Childcare Act 2006 (July 2018)". This applies to those providing early years childcare or later years childcare, including before school and after school clubs, to children who have not attained the age of 8 AND to those who are directly concerned in the management of that childcare; the Childcare (Disqualification) Regulations 2009.
- depending on the nature of the role, the volunteer may also be asked to sign a confidentiality statement;

- references may also be required.

INDUCTION

The Head of Pedagogy and Staff Development at the Prep School or the Deputy Head (Staffing, Operations and Co-Curricular) in the Senior School as appropriate will work with the recruiting member of staff or team to arrange training for the volunteers on the following matters before the volunteering placement commences:

- Child Protection Policy and Safeguarding obligations, including the relevant section of the latest statutory guidance: Keeping Children Safe in Education
- The role and identities of the Designated safeguarding lead and Deputy designated safeguarding leads
- Staff Code of Conduct
- Health and Safety and Fire Safety
- Confidentiality obligations
- Supervision
- Pupil behaviour management
- Pupils missing from school
- Network Acceptable Use Policy

There should be a risk based approach when determining the level of information provided at induction. This will depend very much on the nature of duties undertaken, and when and where they are undertaken. The information required to effectively carry out the volunteering duties should be considered when providing an induction to volunteers. It may also be necessary to extend the list above and add areas/documents that need to be covered in the induction.

Appendix 1: VOLUNTEER AGREEMENT (amend as required) *The recruiting member of staff/team will need to issue this agreement to volunteers once all relevant checks have been carried out and approval has been given by relevant member of the SLT.*
